

## Master/Magister thesis in Sociology spring term 2018

### Times and dates

**Thesis topic form** (also with supervisor and planned completion date). Submission deadline **January 29 at 24:00**. If you are unable to submit at this date but plan to complete your thesis during this the term, please contact the teacher responsible at [arni.sverrisson@sociology.su.se](mailto:arni.sverrisson@sociology.su.se).

**Introductory meeting/lecture January 16 at 13-15 in B900**. Please bring any questions about the general arrangements for the thesis work to this meeting. **Compulsory attendance**.

**80% seminar April 18 at 13-15 in B800**. Sign up for this before April 5 on Mondo.

**Thesis submission and defense**. Master and magister theses must be submitted well in advance of the examination seminars, which are held at regular intervals. Please observe that the thesis submission deadlines are strict and late submissions will be examined during a later period. Below, an approximate interval for examinations is given, and the exact time and date is determined by the availability of examiners within that interval. Thus, you must be available during the whole period given below. When your supervisor has approved your thesis, submit it in Word or pdf-format through Mondo (go to “Assignments”).
