

Master/Magister thesis in Sociology: Times and dates 2021

Introduktion/ Introductory lecture **Tuesday January 19 at 13-15** on Zoom. Please bring any questions about the general arrangements for the thesis work to this meeting. Compulsory attendance.

Uppsatsanmälan/ Confirmation of participation with topic, type of data, method, supervisor and planned completion date. Submission deadline **Thursday January 28 at 16:00**. If you plan to complete your thesis during the spring term, but are unable to submit before this deadline, please contact the course leader.

Uppsatsinlämning och seminarium/ Thesis submission and examination. Master and magister theses must be submitted well in advance of the examination seminars. Please observe that the thesis submission deadlines are strict and late submissions will be examined during a later period. Below, an approximate interval is given for the examinations. The exact time and date is determined by the availability of examiners within these intervals. Thus, authors must be available during the relevant interval given below. When your supervisor has approved the thesis, submit in pdf-format on the teaching platform Athena before the posted deadline.
